

Custom Underlayment Printing

We've got you covered.

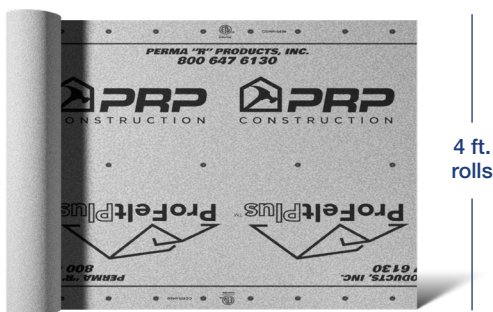

Let us help promote your customer's brands . . .

In construction, underlayment can sit on the roof deck of a job site for an extended period of time. How many people do you think pass by and glance at it? A lot, that's how many! Take full advantage of underlayment and advertise a brand while construction is underway with custom logo printing by Perma "R" Products®.

How does it work?

We take a customer's logo and format it for print, create a print plate, and then produce the finished product ready for all to see when installed on the project.

1 COLOR | 1 LOGO BLACK
FREE Plate

ProFelt 30:
1 LOGO BLACK | 1 LOGO WHITE
FREE Plate

Print variations:

Perma "R" covers 450 sq. in.
Max logo size = 18" tall x 40" wide
Custom colors may be available.
Call **800.647.6130** for information.

Colors may vary due to various factors such as substrate, humidity, temperature, line speed, and ink consistency. Variance in color may occur within acceptable tolerance of shades shown here.
